Hai Sai! 2010 was a great year of fellowship and successful events for Hui Makaala. I would like to thank the members of Hui Makaala for thinking of me and honoring me in 2010. I am very humbled by this and will continue to help in our events and planning for the years to come. I love being a part of Hui Makaala and all it's members. Hui Makaala has been a big factor of our lives, and because of this, our family has made many friends as well as created fond memories throughout the years! I wish Hui Makaala a wonderful 2011 and many more years of success in providing for the future of Hawaii's Okinawan community.

Sincerely,

Lisa Shishido
